

WHAT DO YOU

BELIEVE

REFLEX

**Last week:** Where are you going?

**This week:** What do you believe?

- Do you follow your heart or head?
- Valentines Day is this coming week.
- You need to know someone to love them.
- However you cannot just know someone to love them. You need to show your heart.

- **1 Timothy 1:3-7 (Page 839)** What we know should shape what we believe. Our Head shapes our Heart.
- **Acts 2:42-47 (Page 772)** Creating a culture that believes in what's important.

- **1 Timothy 1:8-11 (Page 839)** We are not saved by the Law. We are saved by faith.
- **Matthew 5 (Page 683)** The Law convicts to see our need for a saviour.

- Do you think you know everything?
- It is more important to know the One who knows everything than to have it all figured out.

- Sound Doctrine should always point to Jesus not away from Him.
- The Law does the same shows our need for Jesus not making us feel condemned.

- Do you major in the minors?
- What kind of culture do we as a church want to create?

- Truth and Grace.
- Jesus is first. Secondary issues can be discussed without condemnation.
