Quote from Steve Jobs:

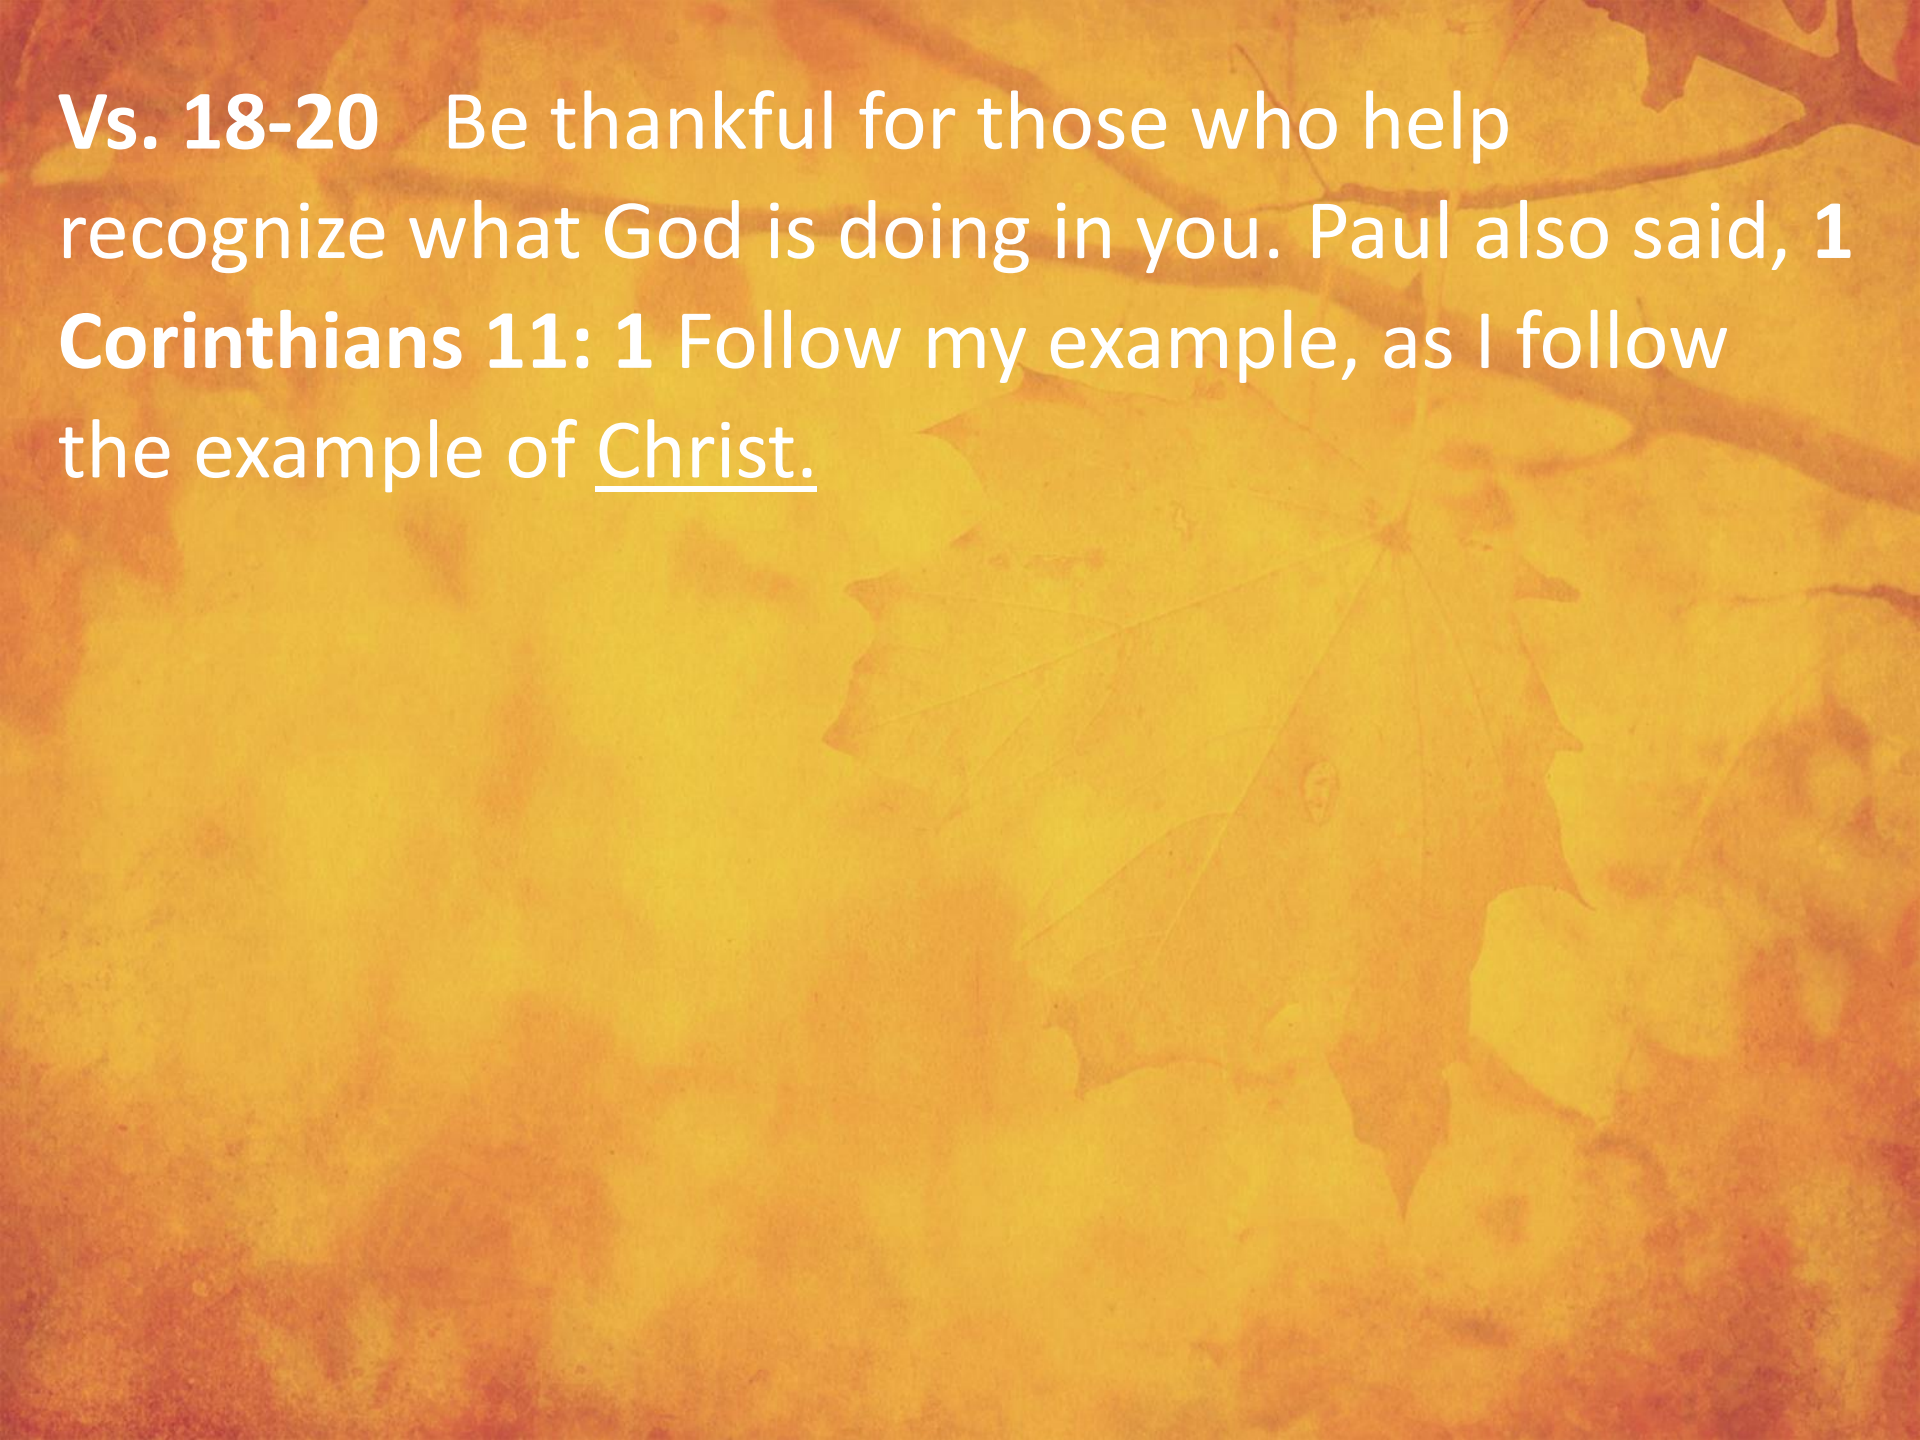

Your time is limited, so don't waste it living someone else's life. Don't be trapped by dogma - which is living with the results of other people's thinking. Don't let the noise of others' opinions drown out your own inner voice. And most important, have the courage to follow your heart and intuition.

Are you following Christ or man? Is your faith the one of your parents or teachers or your own? Do you worry about traditions or knowing God? Do you have your eyes fixed on Jesus or are you worried about those around you? When you look for leaders to lead you are they following Jesus the way you want to follow Jesus?
